## EXPLICACIÓN

### DE LAS CARTAS, PLANOS, VISTAS Y RETRATOS

#### DE QUE SE CÔMPONE ESTE ATLAS.

N.º 1... CARTA ESFERICA de las costas de California, que comprende desde Acapulco hasta cabo Perpetua.

Esta Carta está formada con las mejores observaciones y noticias hechas por los buques de S. M. y otros, desde el año 1763.

N.º 2... Continuacion de la Carta núm. 1.º desde cabo Perpetua hasta la salida de las Goletas.

Esta Carta está formada con los mismos datos que la primera.

N.º 3... Continuacion de la Carta núm. 2. desde la salida de las Goletas hasta la isla de Unalaska.

Para la formacion de esta Carta se han tenido presentes las observaciones astronómicas hechas en Mulgrave y entrada del Príncipe Guillermo por las corbetas Descubierta y Atrevida, refiriendo á estos mismos puntos lo restante de la costa hasta Unalaska por el oeste y hasta Nutka por el este; y no se han señalado los reconocimientos hechos por el Capitan Wancower para manifestar solo de los que se tenia noticia en la época que se escribió este viage.

N.º 4... CARTA PLANA de los reconocimientos hechos por el Capitan Sebastian Vizcaino.

Esta Carta, aunque reducida, es una copia fiel sacada de 32 planos que acompañan al viage original de aquel célebre navegante.

N.º 5... PLANO del puerto de San Diego.

Por Don Juan Pantoja, segundo Piloto de la Armada, en 1772.

N.º 6... Idem del puerto y bahía de Monterey.

Trabajado abordo de las corbetas Descubierta y Atrevida en 1791.

N.º 7... Idem de la cala de los Amigos en la entrada de Nutka.

Por las mismas corbetas en 1791.

N.º 8... Idem del puerto de Mulgrave.

Por las mismas corbetas en 1791.

N.º 9... Idem del puerto del Desengaño.

Por las mismas corbetas en idem.

## VISTAS.

had them farewell, not less pleased with their  
hospitality and attention, than astonished at the vessels  
in which they were employed to execute a  
business of such nature. They were each about  
forty years of age, mounted two horses each,  
and were accompanied by twenty-five men, having  
no artillery, without a single inferior officer.  
Their apartments were allowed them for sleeping  
part of each day, with a table in the middle of the  
room, and a small fire place, with some apparatus  
in each, and also, in all other respects, the most com-  
fortable and well furnished that could possibly
